

Mr President Ollanta

thankyou for sending my family
and I your best wishes. We
are very aware of your committed
fight to end extreme poverty
in Peru ... 15 ... 30 ... 50%
we applaud this and are delighted
to be travelling in this
enchanting country at a time
of positive change. ... we know you
have bigger obstacles to climb
than Machupicchu! but
we will be there to cheer you
when you "take the summit"

This has been a low key family trip
for me the next time you see
me I hope I will have a guitar
in my hand It would be a

Just some day ... last time
we failed to make the ceremony
work. perhaps then
we could have a coffee or tea
or something stronger!!

please know that our organisation
ONE - ORG has nearly 3 million
members around the world fighting
for the poorest of the poor
and fighting against the corruption
that keeps them that way.

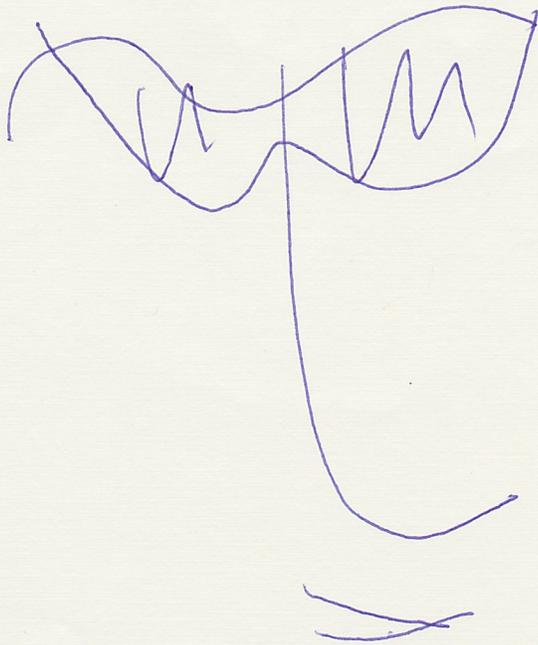

(we are especially involved in the
extractive sector, working with
NGOs groups to be more
Transparent — Daylight as
always — The sun — is the
antidote to the gongs in
dark corners — an active
civil society is important

even if it is painful at times
We have heard you are an 'open'
man ~~on~~ with some fine people
at your side eg Mr. Castilla

love to your wife NADINE
and your daughters and son too
God Bless.

B A O

Leap day 2012.
